

# TERMS AND CONDITIONS

## GENERAL CONDITIONS FOR MAINTENANCE SERVICE OF AIR CONDITIONERS

Warren Electrical Service cannot be held responsible for any pre-existing condition that is not obvious upon visual inspection.

These conditions may consist of but not be limited to:

- Faulty Remote Controls including corrosion
- Faulty Printed Circuit Boards in the Evaporator/Condensor
- Condensate Pump Failure if fitted
- Worn Filters due to age or lack of Maintenance
- Faulty or Damaged Electrical Wiring or Circuit Isolating Switches
- Faulty or Deteriorated Pipe Insulation and ducting

Warren Electrical Service will only warrant claims with respect to workmanship of the services provided if the claim is reported within 7 days of completion of the work. In the event of a customer complaint, the customer agree to give Warren Electrical Service the opportunity to rectify all work.

Even though Warren Electrical Services treatment and products do have some deodorising effects, we do not guarantee against odours reoccurring.

There are a range of factors that contribute to the presence of odours. These may include

Inadequate or incorrectly installed condensate drains, Evaporators that have been subjected to cooking, fats and greases, incense, essential oils, rodents and insects entering the system and dying e.g. mice, geckos, cockroaches etc

## FEES & charges

- Standard Wall Split System up to 9kw will be \$69
- Travel Charges will apply for all services outside of the Manjimup area
- Price does not include rectification of minor issues found whilst the standard service is being performed.
